Ms. Elizabeth Kennedy
Nova Scotia Dept. of Environment
Halifax, N.S.

Hello Ms. Kennedy,

My name is Stella Bowles and I have been working hard to clean up the LaHave River of illegal straight pipes. Actually, I am working hard to make illegal straight pipes an issue all over our province. I really cannot believe that in 2018 enforcement or a clean up plan isn't happening, other than my LaHave River and Richmond County.

Minister Miller suggested I discuss the issue with you. I would like to bring my friend, Lisa Mitchell from East Coast Environmental Law with me when we meet. We have great ideas to share with you and I hope we can work together, toward a straight pipe free Nova Scotia. Please feel free to have your lawyer attend as well.

My mom, Andrea Conrad handles all of my scheduling. You can contact her at [REDACTED] or email [REDACTED] to arrange our meeting time. I really look forward to positive discussions that will lead to a straight pipe free province.

Thank you,

Stella Bowles
